

**Recycle your line or discard  
it in trash containers.**

**Help protect Florida's manatees.**

Manatees and other wildlife can easily become entangled in or ingest discarded monofilament fishing line and hooks, which can lead to serious injury or death.

**Wildlife Alert:  
1-888-404-FWCC(3922)**

cell \*FWC or #FWC

Report collisions, sick, dead or injured manatees  
and any wildlife or boating law violations.
